Notes to the Notice of Annual General Meeting

The following notes explain your general rights as a shareholder and your right to attend and vote at this annual general meeting (“**Meeting**”) or to appoint someone else to vote on your behalf.

1. **The Board considers the Annual General Meeting an important opportunity to present to shareholders the Company’s performance and strategic priorities. In normal circumstances, the Board values greatly the opportunity to meet shareholders in person. However despite recent announcements by the UK government and the removal of the majority of COVID-19 restrictions, the Board considers that there remains a degree of uncertainty around the relaxation of restrictions and what this means for the holding of the Annual General Meeting. The Board’s current intention is to proceed with holding the Meeting as an open meeting. It is however unclear as to what restrictions may be in place on the day of the Meeting and it remains the Board’s priority to ensure the health and wellbeing of all stakeholders. Given the changing nature of the situation, it may become necessary to make alternative arrangements for the Meeting and the manner in which it is held, should the restrictions that are in place at the time of the meeting restrict or prevent Shareholders from attending in person. Accordingly, the Board strongly encourages Shareholders not to attend the Meeting in person, and strongly encourages all Shareholders to vote on the resolutions to be proposed at the General Meeting by registering your votes electronically and appoint the Chair of the Meeting as their proxy. Should you still wish to attend in person, we kindly ask that you register your interest in attending by emailing toby@nightcapplc.com Please note that it may be necessary to place restrictions on the number of attendees and/or prescribe other entry requirements**
2. **The Board will arrange for the legal requirements for the holding of the Meeting to be satisfied by the attendance of a Director and the Company Secretary, who will form a quorum and will ensure that the proxy votes of shareholders are recorded. We therefore strongly encourage you to vote by proxy, ensuring that you appoint the Chairman of the meeting as your proxy (since any other person would not be permitted to attend and cast your vote).**
3. In order that the voting preferences of all shareholders may be taken into account, the Company will conduct a poll vote on all resolutions put to the Meeting.
4. Should a shareholder have a question that they would have raised at the meeting, we ask that they send it by e-mail to toby@nightcapplc.com. The Company will publish these questions (other than any questions which the Directors consider to be frivolous or vexatious, or which cannot be addressed for legal or regulatory reasons) and answers on its website as soon as practicable after the Meeting.
5. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of trading on 7 December 2021. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
6. In the ordinary course, shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company. **Note that for the reasons set out above, physical attendance at the Meeting is strongly discouraged.**
7. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s Register of Members in respect of the joint holding (the first named being the most senior).
8. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution(s). If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
9. You can vote either:
 - by logging on to www.signalshares.com and following the instructions;
 - you may request a hard copy form of proxy directly from the registrars, Link Group, (telephone number: 0371 664 0391). Calls are charged at the standard geographical rate and may vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales; or
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.
10. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Registrars before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
11. The return of a completed form of proxy, electronic filing or any CREST Proxy Instruction (as described in note 13 below) will not prevent a shareholder from attending the Meeting and voting in person if he/she wishes to do so.
12. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from www.euroclear.com/site/public/EU). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

13. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (RA10) by 10:00 a.m. on 7 December 2021. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
14. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
15. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.
16. Due to current COVID-19 measures at our registered office address, it will not be possible to make available for inspection at the Company's registered office the terms and conditions of appointment and letters of appointment of Non-Executive Directors and all the Directors' service contracts.
17. As at 14 November 2021 (being the latest practicable business day prior to the publication of this notice), the Company's ordinary issued share capital consists of 185,475,192 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 14 November 2021 are 185,475,192 votes.
18. Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
19. You may not use any electronic address (within the meaning of Section 333(4) of the Companies Act 2006) provided in either this Notice or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.
20. A copy of this Notice can be found on the Company's website at www.nightcapplc.com

Notes to the resolutions proposed at the Annual General Meeting

Resolution 1 – Receive the financial statements and annual reports

The Companies Act 2006 requires the Directors of a public company to lay before the Company in a general meeting the annual report and accounts of the Company for each financial year. The Directors ask that shareholders receive the Company's financial statements for the financial period ended 27 June 2021, including the reports of the Directors and the Auditor.

Resolutions 2 to 8 – Election and Re-election of Directors

The Company's Articles of Association require all Directors to be subject to appointment by shareholders at the first annual general meeting following their appointment and for re-appointment by shareholders at least every three years and otherwise on a rotational basis with one third (rounded down) of the relevant directors being required to retire each year. As this is the Company's first annual general meeting, all of the Directors are eligible and proposed for re-appointment.

Resolution 9 – Re-appointment of Auditor

The Company is required at each general meeting at which financial statements are laid, to appoint an auditor who will remain in office until the next general meeting at which financial statements are laid. PKF Francis Clark LLP, who were appointed as Auditor by the Board in March 2021 following a tender process, have expressed willingness to continue in office. In accordance with company law and good corporate governance practice, shareholders are asked to authorise the Board to determine the auditors' remuneration.

Resolution 10 – Remuneration of Auditor

If authorised by shareholders, the Directors may set the remuneration payable to the external auditor, and resolution 8 proposes the grant of authority to do so.

Resolution 11 – General Authority to allot shares

The Board may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorized to do so by Shareholders. resolution 11 seeks authority for the Board to allot, or grant rights to subscribe for or convert securities into, a limited number of shares in the Company. Section 551 of the Companies Act 2006 requires such authority to be granted by the Company in a general meeting so that any allotment of shares or grant of rights to subscribe for or convert securities into shares is not exercised at the sole discretion of the Directors. The resolution specifies the maximum nominal amount of shares which can be allotted or rights granted.

This resolution therefore authorises the Directors to allot Ordinary Shares or grant rights to subscribe for or convert securities into shares up to an aggregate nominal amount of £618,250 (representing a maximum of 61,825,000 ordinary shares of £0.01 in the capital of the Company ("**Ordinary Shares**"). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company.

This authority shall last until the conclusion of the Annual General Meeting of the Company to be held in 2022 or fifteen (15) months from the date of passing resolution 11, whichever is the sooner.

The Board has no present intention to use this authority.

Resolutions 12 and 13 – disapplication of statutory pre-emption rights

If a company proposes to allot Ordinary Shares or other 'equity securities' other than in connection with an employee share scheme (including by way of sale of any shares which the Company has purchased and has elected to hold as treasury shares) wholly for cash, it has a statutory obligation (subject to certain exemptions) to offer those shares to holders of similar shares in proportion to their existing holdings.

Resolution 12 seeks to disapply this statutory right of first refusal to a limited extent, so as to give the Directors the power to allot Ordinary Shares (or sell any Ordinary Shares which the Company holds in

treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings. The powers under resolution 12 shall last until the conclusion of the Annual General Meeting of the Company to be held in 2022 or fifteen (15) months from the date of passing resolution 12, whichever is the sooner.

Sub-paragraph (a) of resolution 12 provides the Directors with flexibility to deal with practical issues such as fractional entitlements and securities law restrictions in overseas jurisdictions when making an offer that is otherwise pre-emptive, and would apply to any allotment of shares under resolution 11.

Sub-paragraph (b) of resolution 12 contains a broader general disapplication of pre-emption rights up to an aggregate nominal amount of £92,738 (representing a maximum of 9,273,800 Ordinary Shares). This aggregate nominal amount represents approximately 5 per cent of the issued ordinary share capital of the Company (excluding treasury shares).

This power shall last until the conclusion of the Annual General Meeting of the Company to be held in 2022 or fifteen (15) months from the date of passing resolution 12, whichever is the sooner.

Resolution 13 proposes an additional power to those sought under resolution 12 and will be limited to allotments (a) up to an aggregate nominal amount of £92,738 (representing a maximum of 9,273,800 Ordinary Shares); **and** (b) used only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice.

The Board has no present intention to use either of the authorities contained in resolutions 12 and 13.

The figure used for the nominal amount of issued ordinary share capital of the Company for the purposes of resolutions 11, 12 and 13 is based on the ordinary share capital in issue as at 14 November 2021. As at that date, no Ordinary Shares are held by the Company in treasury.

Action to be taken by Shareholders

You can submit your proxy electronically through the website of the Company's registrars, Link Group, at www.signalshares.com. The electronic submission of proxy must be received at least 48 hours before the time of the Annual General Meeting. To vote online you will need to log in to your share portal account or register for the share portal if you have not already done so and you will require your investor code. Once registered, you will be able to vote immediately. Ordinarily, voting by proxy prior to the Annual General Meeting does not affect your right to attend the Annual General Meeting and vote in person should you so wish. However, in light of the current COVID-19 circumstances, physical attendance at the Meeting is strongly discouraged. **Further information regarding the appointment of proxies and online voting can be found in the notes to the Notice of Annual General Meeting.**

Instructions for voting by proxy through CREST are set out in paragraph 13 of the notes to the Notice of Annual General Meeting.

In the case of non-registered shareholders who receive these materials through their broker or other intermediary, the shareholder should complete and send a letter of direction in accordance with the instructions provided by their broker or other intermediary.

Directors' Recommendation

The Board of Directors of the Company unanimously recommend that shareholders vote in favour of all of the Resolutions as they intend to do in respect of their own shareholdings of, in aggregate, 43,829,085 Ordinary Shares (representing approximately 26.6 per cent. per cent. of the Company's existing issued Ordinary Shares).
