23 November 2023

Dear Shareholder,

ANNUAL GENERAL MEETING TO BE HELD ON 18 DECEMBER 2023

I am pleased to provide you with details of the 2023 Annual General Meeting (the “**Meeting**”) of Nightcap plc (“**Nightcap**” or the “**Company**”) to be held at the offices of Allenby Capital Limited, 5th Floor, 5 St Helen’s Place, London, EC3A 6AB at 10:00 a.m. on 18 December 2023 for the purpose of considering and, if thought fit, passing the resolutions set out in the notice of the Meeting on page 7.

The purpose of this letter is to provide you with a brief summary and explanation of the resolutions proposed by the Company at the Meeting.

RESOLUTIONS AND EXPLANATORY NOTES

Resolutions 1 to 6 (inclusive) are proposed as Ordinary Resolutions. This means that, in accordance with the requirements of the Companies Act 2006, for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 7 to 10 are proposed as Special Resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Receive the financial statements and annual reports

The Companies Act 2006 requires the directors of a public company to lay before the Company in a general meeting the annual report and accounts of the Company for each financial year. The directors of the Company (“**Directors**”) ask that shareholders receive the Company’s financial statements for the financial period ended 2 July 2023, including the reports of the Directors and the Auditor.

Resolutions 2 and 3 – Re-election of Directors

The Company’s Articles of Association require all Directors to be subject to appointment by shareholders at the first annual general meeting following their appointment and for re-appointment by shareholders at least every three years and otherwise on a rotational basis with one third (rounded down) of the relevant Directors being required to retire each year. As this is the Company’s second annual general meeting, two of the seven Directors (Gareth Edwards and Lance Moir) are retiring by rotation and, being eligible, are proposed for re-appointment.

Resolution 4 – Re-appointment of Auditor

The Company is required at each general meeting at which financial statements are laid, to appoint an auditor who will remain in office until the next general meeting at which financial statements are laid. PKF

Francis Clark LLP, who were re-appointed as auditors of the Company (“**Auditor**”) at the previous annual general meeting, have expressed willingness to continue in office.

Resolution 5 – Remuneration of Auditor

In accordance with company law and good corporate governance practice, shareholders are asked to authorise the Board to determine the Auditor’s remuneration. If authorised by shareholders, the Directors may set the remuneration payable to the external auditor, and resolution 5 proposes the grant of authority to do so.

Resolution 6 – General Authority to allot shares

The board of Directors (“**Board**”) may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by Shareholders. Resolution 6 seeks authority for the Board to allot, or grant rights to subscribe for or convert securities into, a limited number of shares in the Company. Section 551 of the Companies Act 2006 requires such authority to be granted by the Company in a general meeting so that any allotment of shares or grant of rights to subscribe for or convert securities into shares is not exercised at the sole discretion of the Directors. The resolution specifies the maximum nominal amount of shares which can be allotted or rights granted.

This resolution therefore authorises the Directors to allot Ordinary Shares or grant rights to subscribe for or convert securities into shares up to an aggregate nominal amount of £726,280 (representing a maximum of 72,628,000 ordinary shares of £0.01 in the capital of the Company (“**Ordinary Shares**”). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company.

This authority shall last until the conclusion of the Annual General Meeting of the Company to be held in 2024 or fifteen (15) months from the date of passing resolution 6, whichever is the sooner.

The Board has no present intention to use this authority.

Resolutions 7 and 8 – Disapplication of statutory pre-emption rights (annual renewals)

If the Company proposes to allot Ordinary Shares or other ‘equity securities’ other than in connection with an employee share scheme (including by way of sale of any shares which the Company has purchased and has elected to hold as treasury shares) wholly for cash, it has a statutory obligation (subject to certain exemptions) to offer those shares to holders of similar shares in proportion to their existing holdings.

Resolution 7 seeks to disapply this statutory right of first refusal to a limited extent, so as to give the Directors the power to allot Ordinary Shares (or sell any Ordinary Shares which the Company holds in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings. The powers under resolution 7 shall last until the conclusion of the Annual General Meeting of the Company to be held in 2024 or fifteen (15) months from the date of passing resolution 7, whichever is the sooner.

Sub-paragraph (a) of resolution 7 provides the Directors with flexibility to deal with practical issues such as fractional entitlements and securities law restrictions in overseas jurisdictions when making an offer that is otherwise pre-emptive, and would apply to any allotment of shares under resolution 6.

Sub-paragraph (b) of resolution 7 contains a broader general disapplication of pre-emption rights up to an aggregate nominal amount of £217,884 (representing a maximum of 21,788,400 Ordinary Shares). This aggregate nominal amount represents approximately 10 per cent. of the issued ordinary share capital of the Company (excluding treasury shares).

Sub-paragraph (c) of resolution 7 contains a further disapplication of pre-emption rights for up to two per cent. of the Company’s issued ordinary share capital to be used only for the purposes of making a follow-on offer to retail investors or existing investors not allocated shares in the offer.

This power shall last until the conclusion of the Annual General Meeting of the Company to be held in 2024 or fifteen (15) months from the date of passing resolution 7, whichever is the sooner.

Resolution 8 proposes an additional power to those sought under resolution 7. Sub-paragraph (a) will be limited to allotments (i) up to an aggregate nominal amount of £217,884 (representing a maximum of 21,788,400 Ordinary Shares – this represents approximately 10 per cent. of the issued ordinary share capital of the Company (excluding treasury shares)); **and** (ii) used only for the purposes of financing (or refinancing, if such refinancing occurs within 12 months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice. Sub-paragraph (b) of resolution 8 contains a further disapplication of pre-emption rights for up to two per cent. of the Company's issued ordinary share capital to be used only for the purposes of making a follow-on offer to retail investors or existing investors not allocated shares in the offer.

The powers sought in both Resolution 7 and Resolution 8 include the ability to issue up to a further two per cent. of issued ordinary share capital in each case for the purposes of a follow-on offer. The Pre-Emption Group's Statement of Principles provide for follow-on offers as a possible means of enabling smaller and retail shareholders in the Company to participate in a non-pre-emptive equity issue when it may not be possible (for timing or other reasons) for them to participate in a particular placing being undertaken. The Pre-Emption Group's Statement of Principles set out the expected features of any such follow-on offer, including in relation to qualifying shareholders, monetary caps on the amount qualifying shareholders can subscribe and the issue price of the shares.

The Board has no present intention to use either of the authorities contained in resolutions 7 and 8.

The figure used for the nominal amount of issued ordinary share capital of the Company for the purposes of resolutions 6, 7 and 8 is based on the ordinary share capital in issue as at 22 November 2023. As at that date, no Ordinary Shares are held by the Company in treasury.

Resolution 9 – Disapplication of statutory pre-emption rights (convertible loan notes)

In connection with acquisition of the 'Dirty Martini' chain of cocktail bars, and as announced on 9 June 2023, the Company raised a total of £5.0 million, through a subscription of 19,583,333 of new ordinary shares in the Company at 12 pence per share and the issue of £2.65 million new convertible loan notes ("**CLNs**").

The issue of the CLNs fell within the general authority to allot equity securities (section 551 Companies Act 2006) that was granted pursuant to the ordinary resolution passed at the Company's 2022 AGM. Resolution 9 is proposed as a special resolution to disapply the statutory pre-emption rights that would otherwise apply on the conversion of the CLNs and is limited to 26,868,056 shares, being the maximum amount that the Company could be required to issue if all the CLNs (and interest accrued thereon for their full term) are converted at 12p per share and not repaid. The main terms of the CLNs are set out below.

On 9 June 2023, Nightcap executed a convertible loan note instrument creating the £2.65 million of CLNs. The CLNs mature on 9 September 2025 (the "**Maturity Date**") and are convertible at the option of the investors subject to: (i) as a result of any conversion notice(s) being served, at least 33 per cent. of the principal amount of CLNs outstanding immediately prior to such notice being served will be converted; and (ii) the passing of this resolution 9. The CLNs are only convertible following a period of 12 months from issue, at the higher of the 12p or a 15 per cent. discount to the volume weighted average share price of the Company's shares for the period of five business days prior to the investor notifying the Company of its intention to convert. The CLNs bear a coupon of 10 per cent. per annum which shall be rolled up and settled either when a conversion notice has been served or on an Exit (as defined below) by the issue of such the relevant number of shares at the conversion price in respect of such accrued interest amount. The CLNs are non-transferable and are unsecured.

The CLNs shall convert automatically in the event of: (a) a change of control in the Company; and (b) the sale of substantially all of the business and assets of the Company (each an "**Exit**"). If the share price upon Exit is lower than the conversion price, then any amounts outstanding in respect of the CLN shall be converted into shares at the Exit share price.

Prior to any conversion notice having been served and in relation to any outstanding CLNs prior to the Maturity Date, the Company has the right to repay the noteholders. In the case of early repayment of the CLNs (within the 12-month period following the issue of the CLNs), the interest payable shall be equivalent

to 12 months accrued interest on the principal amount of the CLNs outstanding immediately prior to such repayment. Any amount of the CLNs outstanding at the Maturity Date will be repaid by the Company together with accrued interest up to such date.

No further sums shall be payable to the Company in respect of the shares to be allotted on conversion of the CLNs. The aggregate CLN subscription amount of £2.65 million was received by the Company on 9 June 2023.

Resolution 10 – Purchase of Ordinary Shares

Resolution 10 will, if it is approved, allow the Company to exercise the authority contained in the Articles of Association to purchase its own shares. The Board currently has no intention that the Company should make purchases of its own shares if the proposed authority becomes effective, but would like to be able to act quickly if circumstances arise in which such a purchase would be desirable taking into account gearing levels and the overall financial position of the Company. Purchases will only be made on the AIM market and only in circumstances where the directors believe that they are in the best interests of the shareholders generally.

The proposed authority will be limited by the terms of the special resolution to the purchase of 21,788,399 Ordinary Shares representing 10 per cent. of the Company's issued ordinary share capital at 22 November 2023.

The minimum price per ordinary share payable by the Company (exclusive of expenses) will be 1p. The maximum to be paid will be an amount not more than 5 per cent. above the average of the middle market quotations for Ordinary Shares of the Company as derived from the AIM market on the five business days immediately preceding the date of each purchase.

If the Directors exercise the authority conferred by resolution 10, they may consider holding those shares in treasury, rather than cancelling them. The Directors believe that holding shares in treasury would provide the Company with greater flexibility in the management of its share capital. The Directors will also consider using the treasury shares to satisfy share awards under the share award schemes the Company offers to its employees.

The maximum number of shares and the permitted price range are stated in order to comply with statutory and London Stock Exchange requirements and should not be taken as representative of the number of shares (if any) which may be purchased, or the terms of such a purchase.

The authority will lapse on the date of the Annual General Meeting of the Company in 2024. However, in order to maintain the Board's flexibility of action it is envisaged that it will be renewed at future Annual General Meetings.

ACTION TO BE TAKEN BY SHAREHOLDERS

You can submit your proxy electronically through the website of the Company's registrars, Link Group, at www.signalshares.com. DIRECTORS' RECOMMENDATION

The Board of Directors of the Company unanimously recommend that shareholders vote in favour of all of the Resolutions as they intend to do in respect of their own shareholdings of, in aggregate, 43,829,085 Ordinary Shares (representing approximately 20.1 per cent. per cent. of the Company's existing issued Ordinary Shares).

Yours faithfully,

Gareth Edwards

Non-Executive Chairman

NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The following notes explain your general rights as a shareholder and your right to attend and vote at this annual general meeting (“Meeting”) or to appoint someone else to vote on your behalf.

1. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company.
2. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s Register of Members in respect of the joint holding (the first named being the most senior).
3. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of trading on 14 December 2023. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting. Should you wish to attend in person, we kindly ask that you register your interest in attending in advance of the Meeting by emailing toby@nightcapplc.com.
4. Should a shareholder have a question that they would have raised at the meeting, we ask that they send it by e-mail to toby@nightcapplc.com. The Company will publish these questions (other than any questions which the Directors consider to be frivolous or vexatious, or which cannot be addressed for legal or regulatory reasons) and answers on its website as soon as practicable after the Meeting.
5. In order that the voting preferences of all shareholders may be taken into account, the Company will conduct a poll vote on all resolutions put to the Meeting.
6. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution(s). If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
7. You can vote either:
 - by logging on to www.signalshares.com and following the instructions;
 - you may request a hard copy form of proxy directly from the registrars, Link Group, by emailing shareholderenquiries@linkgroup.co.uk or by calling 0371 664 0391. Calls are charged at the standard geographical rate and may vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales; or
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
 - if you are an institutional investor you may also be able to appoint a proxy electronically via the Proximity platform (refer to the notes below).
8. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Registrars before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
9. The return of a completed form of proxy, electronic filing or any Proximity proxy or CREST Proxy Instruction (as described in note 12 below) will not prevent a shareholder from attending the Meeting and voting in person if he/she wishes to do so.
10. Unless otherwise indicated on the Form of Proxy, CREST, Proximity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion or withhold from voting.
11. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
12. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a ‘CREST Proxy Instruction’) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer’s agent (RA10) by 10:00 a.m. on 14 December 2023. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
13. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of

the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

14. Proxymity Voting – if you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 10:00 a.m. on 14 December 2023 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
15. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.
16. The terms and conditions of appointment and letters of appointment of Non-Executive Directors and all the Directors' service contracts are available for inspection at the Company's registered office.
17. As at 22 November 2023 (being the latest practicable business day prior to the publication of this notice), the Company's ordinary issued share capital consists of 217,883,990 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 22 November 2023 are 217,883,990 votes.
18. Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
